

« Sweet and Savoury Saint Germain»

Stroll through the charming and historic St Germain des Prés district while tempting your taste buds on this 'epi-curious' adventure. Your guide will transport you through the sweet past and savoury present of the mythical St Germain des Prés.

Enjoy wandering through small streets and well hidden passages as this district reveals its rich and rebellious story. Stroll from its Abbey to its cafés, art galleries, and luxury boutiques. Through jazz, existentialism, and the "Rive Gauche" spirit, you'll experience a bounty of delicious stories.

Savour the city along the way as you discover its artisans and sample their specialties outside of their boutiques. Travel from sweet to savoury along 5 stops where you might learn of a family from Burgundy who makes delicious oils with a stone mill that has been grinding since 1878. Their pistachio oil is a memorable experience. Chefs the world over covet the precious trickle of oil that emerges from their press.

Further on you're expected at a boutique that is passionate about cheese.... With over 200 varieties to boast. Expect to taste one of their specialties from Normandy.

What would a visit to France be without wine? That's why your stroll ends on the exact location of the old Saint Germain market with a tasting at a specialty wine store!
